

**C.E.R.T.
Team
(Community
Emergency
Response Team)**

If there was a disaster in our city.....
What would you do?
Could you respond?

A CERT Team is forming in Taylors Falls. We need you. We need community members to learn what to do in an emergency before our emergency workers get to everyone.

Why?

- Just 1% of our population is trained to respond to disaster situations!
- We want to help our neighbors!
- We can help each other before emergency workers arrive!

CALL NOW TO BE A PART OF THE CERT Team!

.....

Training will begin soon. Come and be a part of our first training class as we train our community members in emergency response.
