CONSIDER PURCHASE OF DETOUR SIGNS FOR HIGHWAY 8 PROJECT
At the July 28, 2008 City Council Meeting, Representative Jeremy Kalin informed the City of the Highway 8 project to begin on August 11th and expressed frustration that there appeared to be a lack of communication between parties notifying the City of the proposed project. This prompted a meeting between the City, MnDOT, Chisago County and a few concerned business owners to discuss alternate routes/official detours, for the project. There are hopes that MnDOT will be willing to absorb some of the costs for the City to obtain “Alternate Detour to Taylors Falls” engineered signs. The City will also ask the Chamber of Commerce if they would be willing to absorb some of the costs for the signs as the signs were purchased to direct traffic through the downtown business area.

MnDOT proposed to work seven (7) days per week versus the normal five (5) days per week to decrease the project time, understanding that this is a very busy, if not peak, time for the downtown businesses.

Many Council Members expressed concern received from business owners regarding congestion and safety hazards from the re-routed traffic. Corporal Shane Carroll is aware of the concerns and understands that additional traffic control may need to be implemented during the course of the project.

MOTION BY KINNUNEN/TANGEN TO APPROVE THE PURCHASE OF SIGNAGE FROM HIGHWAY TECHNOLOGIES PROVIDING AN “ALTERNATIVE DETOUR TO TAYLORS FALLS” FOR THE UPCOMING HIGHWAY 8 MNDOT PROJECT, AT AN ESTIMATED COST OF $2,100.00, TO BE PAID FROM THE COUNCIL CONTINGENCY BUDGET ACCOUNT (41110-900). MOTION CARRIED UNANIMOUSLY.

CONSIDER REQUEST TO WAIVE WAC/SAC FEE
Matt Goldstein, owner of 549 Bench Street, formed an LLC and purchased the property in 2004 with the intention of either building a small addition to the existing building or redeveloping the property. Since that time, after extensive marketing and development efforts, the property has remained vacant due mostly due to the lack of water and sewer service. The cost of development plans has made it difficult to afford the improvement as he has used personal funds to remain current on the mortgage, insurance, utilities, taxes, City fees, lawn care, snow removal, and related costs to remain in good standing with the community and service providers. Over time, marketing plans have been shared with the City, Chamber of Commerce and have been widely available on various real estate websites. Mr. Goldstein asked for the City to consider waiving the $3,977.00 water availability charge and sewer availability charge (WAC/SAC).
The consensus of the Council was that while they are sympathetic of Mr. Goldstein’s situation, the City cannot waive the WAC/SAC fees for one prospective business owner as it would set precedence for future and/or other business owners.

MOTION BY RIVARD/TANGEN TO DENY THE REQUEST FROM MATT GOLDSTEIN, OWNER (VILLAGE SWEETSHOP) OF 549 BENCH STREET, TO WAIVE THE WATER AVAILABILITY CHARGE AND SEWER AVAILABILITY CHARGE FEES. MOTION CARRIED UNANIMOUSLY.

CONSIDER RESOLUTION 08-08-01 APPOINTING ELECTION JUDGES
MOTION BY TANGEN/RIVARD TO ADOPT RESOLUTION 08-08-01, AS PRESENTED, APPOINTING THE 2008 ELECTION JUDGES FOR THE CITY OF TAYLORS FALLS. MOTION CARRIED UNANIMOUSLY. (copy attached).

CONSIDER PAYMENT OF MINNESOTA PIPE & EQUIPMENT INVOICE
This agenda item was added to the agenda by the Public Works liaisons because the invoice exceeds the $1,000.00 spending limit and to encourage discussion as to why the bill was such a large amount.

The invoice was coded by City Staff to the water main break at Mulberry Street and Highway 95. One (1) of the purchased valves was to be returned to the City of St Croix Falls; one (1) was used at the actual main break; and the final valve would be put into storage in the event that another main break would occur in the City.

MOTION BY KINNUNEN/TANGEN TO AUTHORIZE PAYMENT TO MINNESOTA PIPE & EQUIPMENT, IN THE AMOUNT OF $6,261.93, FOR THE PURCHASE OF THREE (3) VALVES, ONE (1) TO BE REIMBURSED TO THE CITY OF ST CROIX FALLS, ONE (1) THAT WAS USED FOR THE CEMETERY AND 95 MAIN BREAK, WITH THE THIRD TO BE RETAINED FOR FUTURE EMERGENCY PURPOSES, TO BE PAID FROM THE WATER FUND (601). MOTION CARRIED UNANIMOUSLY.

CONSIDER LIGHTING FESTIVAL DONATION
THE CITY COUNCIL AUTHORIZED BY CONSENT AGENDA A $500.00 DONATION TO THE LIGHTING FESTIVAL COMMITTEE TO BE PAID FROM THE CHARITABLE GAMBLING FUND (803).

CONSIDER PAYMENT OF WILD RIVER CONTRACTING INVOICE
THE CITY COUNCIL AUTHORIZED BY CONSENT AGENDA PAYMENT OF WILD RIVER CONTRACTING INVOICE #444 IN THE AMOUNT OF $2,395.00 FOR PAYMENT OF A WATER MAIN REPAIR AT THE CORNER OF COUNTY RD 16 AND BENCH STREET, TO BE PAID FROM THE WATER FUND (601).
